Parent Workshop

Keeping Kids Safe from Injury @ Cunderdin Resource Centre

What is this workshop about?

Join Kidsafe WA as we discuss common injuries happening to children and how to keep kids injury free at home, during play, on the road, and on the farm.

This session provides practical steps on how to reduce the risk of injuries covering topics such as poisoning, falls, burns and scalds, electricity safety, child car restraint use, driveway safety and common injuries to kids on farms.

Who is this workshop for?

Parents, grandparents, carers and anyone interested in child safety.

Where?

Cunderdin Resource Centre
Main Street, Cunderdin

When?

Tuesday 30th April, 2024
