COLLEGE HAPPENINGS

The Year 11 students have been very busy on Farm, with inductions complete, red licences being achieved, shearing training starting, weighing baconers for market, sorting grain for seed cleaners, fixing water troughs, building a tank stand, building rails for farrowing crates and fixing hose reels for water pumps!

The Year 12 students are very busy trying to complete observations out on Farm, with spreading gypsum, shearing, AI and ET stud ewes, AI pigs, weaning pigs, maintenance on automatic pig feeders, weighing cattle and sheep for feed trails, building dump buckets for the piggery and so much more. The Year 12 students are currently working on their Sustainable Environmental Competency, with creating fun ways to promote sustainable practices that consider the three domains social, economic and environmental.

MECKERING MUSINGS

Hello Beautiful Bandicoot browsers!

Meckering Primary has started at a run this year that's for certain. Swimming lessons commenced on the Monday of week 3 and luckily for the children it was a cool relief to the scorching February sun. We combined with Tammin this year as one faction against Kellerberrin DHS in our swimming faction carnival and unfortunately, they were way too strong for us on the day. Big well done to all the children who swam their hearts out and demonstrated excellent sportsmanship. Thank you also to the P&C for providing lunch and ensured we had a coffee van on-site to re-caffeinate throughout the day. Thanks to the staff from all schools for ensuring the day ran to schedule and for all the behind the scenes work that goes into running a carnival.

NEW STAFF - MEET MS EDDY

Ms Kyra Eddy has joined our team this year and has been busy getting to know the children, parents, programs and routines we have at Meckering Primary School. Kyra has two grown children, has motorbiked around South America (during Covid) and has been a teacher for 10 years. Ms Eddy is a kind, skilled, enthusiastic teacher and we welcome her warmly from Birlirr Ngawiyiwu Catholic School. She enjoys: camping, mountain bike riding, bush walking, traveling, snorkelling, kayaking and motorbike riding. She is looking forward to joining the different aspects of farming life.

MOON ON WATER TUCKER BUSH GARDEN

Our Moon on Water Tuckerbush garden, continues to thrive, (despite the extreme heat) thanks to the love and expertise of Mr Hansen, our gardener. We have had relatively few losses over the summer break and some of the plants are ready to begin harvesting and using. The children have created QR codes and general information signs for the garden which we are hoping to have professionally transferred onto weather safe signage.

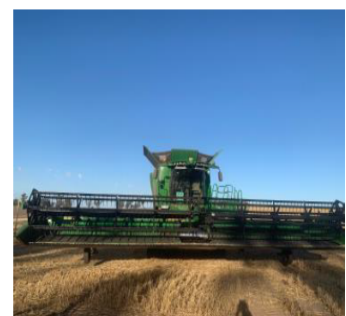

NEW ENROLMENTS

We have had a whopping 7 new enrolments so far in 2023 (3 Kindergarten, 1 PrePrimary, 2 Year 1 and 1 Year 4 student). These children have settled in nicely and are a welcome addition to our small Wheatbelt school. It's wonderful to see the children welcomed into the social dynamics of the school which is unique, as you watch children flow with and between various age groups both within the class and in the playground. Every child is valued and unique at Meckering which is why it is such a wonderfully dynamic place to learn, play and work (for the staff). The individualised learning programs provided ensure the students' academic needs are personally nurtured every step of the way.

THANKS RUSSELL

I was lucky enough to spend some time interviewing Russell Burges in December during harvest. I walked away with a broader knowledge of the farming process which left me in awe of the skillset required to farm in the Wheatbelt. Thank you Russell, for your patience with explaining everything that fascinated me.

Shire of Tammin

POSITION VACANT

GARDENER

The Opportunity

The Shire of Tammin is currently looking for a permanent full-time Gardener to join our hard working works crew.

The position will be responsible for maintaining and enhancing the general appearance of all parks, gardens, reserves and recreation areas throughout the Tammin Town site, ensuring it presents in a clean and attractive manner.

About You

High Yield

Separating the wheat from the chaff so you don't have to.

Autumn is officially here. The heat is still here for a while yet. I'm hanging out for cooler nights and hopefully a few thunderstorms. Corporate bowls has wrapped up, congratulations to Magpies for the win. Thank you to everyone involved in running Corporate Bowls, such a nice way to get out and have some fun. Looking forward to the Back 2 Cunderdin weekend. - Dee Blom

Colin From Accounts - TV Series

Strictly speaking this would be classed as a rom-com. However there is a fair whack of comedy included and doesn't hold all the cliches of that genre. Brought together by a car accident and an injured dog, the two main characters, Ashley and Gordon work their way through every day life. The best part, the two actors are actually a couple in real life, so the chemistry in this is real! Check it out on Binge.

Chat 10 Looks 3 - Podcast

Looking back on previous recommendations and I realised I hadn't mentioned my go to podcast. Annabel Crabb and Leigh Sales are household names for their award winning journalism. This podcast sees them host a 30 minute jumble of recommendations, thought bubbles and ramble. It's a beautiful thing to hear and be part of such a close female friendship. And I am not the only one to think this. There is a small army of dedicated listeners known as Chatters. There are Facebook groups where you can seek out recommendations or advice from the collective Chatters brains trust. Leigh and Annabel have created a supportive, hilarious and knowledgeable community.

Ghosts by Dolly Alderton - Book

Yes it's true, I love Dolly Alderton. This is my second book recommendations by her. Instead of memoir this is a fictional novel but it clearly has been inspired by real life. A woman in her 30s is the central character attempting to navigate dating, friends, social expectations and family - particularly her fading father. Ghosts appear in many different forms throughout. A book that will have you feeling all the feels.

Murder on the Orient Express (2017) - Film

Agatha Christie - an absolute legend in the book world and beyond. Her approach to the crime novel has paved the way for many writers to the delight of many readers. This adaptation of Christie's 1934 novel of the same name, is brought together with a wonderful all star cast. Dame Judi Dench. Need I say more. The costuming is extraordinary. Yes you may be familiar with the story, but this is a feast for the eyes.

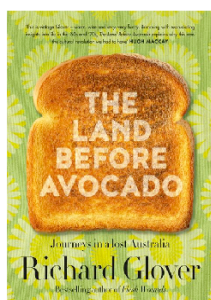

Why Women Kill - TV Series

I'm definitely not plotting anything. But this show is excellent. I've devoured the first season, with a second now available. It dives into the lives of three women across three different generations. The set design and costuming is stunning. You feel completely immersed into the different eras. Throughout the season, your feelings for characters change and morph. It's excellent to see a series solely focused on strong female leads. Best of all its available on SBS on Demand.

Just Watch - App

Expanding beyond content you can enjoy to handy apps for your phone. I was constantly becoming frustrated with watch lists across different streaming services. I kept having to search through them all to find the show I was looking for. Friends suggested JustWatch. It's an app that let's you set a watch list of all the shows and films you are recommended across all the streaming services. There are handy lists of new shows or what is popular now. Definitely worth a look - its free!

The Land Before Avocado by Richard Glover- Book

A hilarious wander through Australia's history, this book will have you shocked, rolling with laughter and curious to find out more. Richard Glover mixes his own personal anecdotes with historical insights to paint a picture of forgotten parts of Australian history including the time before avocados. This was a wonderful way to dip into the interesting history of your remote island nation.

Rams - Movie

Michael Caton and Sam Neill. Need I say more. This is a wonderful lighthearted comedy about bringing together two brothers in times of crisis. The movie was filmed in Mount Barker so its worth a watch just for that. Available on Netflix.

Tales for Tots ~ First Session

On Monday the 27th of February we had our first Tales for Tots session at the Cunderdin CRC. We were very fortunate to welcome our special reader Kaili who lead the session followed by some craft activities, singing and games. The morning started with the children being welcomed into a colorful, cool environment by Little Red Riding hood. There was a circle with pillows and teddies surrounded by chairs for all to enjoy. Following the activities we all enjoyed some health snacks which included a fresh fruit platter, Bluey biscuits, LCM

bars as well as yummy juice boxes. We would like to thank Better beginnings for funding this amazing opportunity. Thank you to the parents and guardians that support these events and a massive thank you to Kaili for being the first reader for the semester. We hope to see you all on the 27th of March for some more fun.

Thank you to everyone who attended The Cunderdin Meckering Cottages Inc. AGM on the 20th of February.

This year, Mr Alan Carter, stepped down off the committee after ten years of contributing to the running of the homes. Alan also spent 8 of these years as chairperson and made a huge contribution during that time, including being the instigator of installing solar panels on the units of all residents. Thank you Alan for your constant care and time spent in managing the homes during your tenure, it has been very much appreciated by the committee and the residents.

Please find Alan's final chairperson's report in this edition of the Bandicoot.

Thank you also to Darren Jasper who also stepped off the committee after two years.

We welcome Bernie Daly and Marion O'Hare back on to the committee after a short break, their experience from previous years on the committee will be greatly appreciated. Thank you also to Liz King for agreeing to join the group, it is great to have new ideas and skills to share.

Dalwallinu Police have charged a 73 yr old male person with 1 x Obscene Act as a result on an investigation that occurred in Dalwallinu 25/02/23. Northam Court date pending. [#fb](#)

Northam Detectives are seeking information regarding a fire in Woodridge, east of Guilderton, on Sunday, 26 February 2023, which caused significant damage to a house, shed and vehicles.

About 8:35am the Department of Fire and Emergency Services notified WA Police Force they were attending a fire at a residence on Woolly Bush Loop. Lancelin Police attended the scene.

While the house was gutted by the fire, and four vehicles were destroyed, fortunately the two adults and three children who were inside the house were able to escape unharmed.

CUNDERDIN MECKERING COTTAGES INC

CHAIRMAN'S REPORT 2023

Cunderdin Meckering Cottages Inc., through the management Committee, provides an invaluable service to our communities by making available self-contained independent living units for our senior residents who wish to downsize from the traditional family home but remain in the community where their friends are and where they have access to most of the important services they need.

There are 6 x 2-bedroom cottages and 4 x 1-bedroom units in Kennedy St.

In addition, the Committee manages the waitlist and settlement for the 8 x 2-bedroom cottages in the Sandalwood Village in Lundy Avenue.

There is a waitlist for Cottages and turnover is low, so if anyone is interested in moving into any of the cottages then it is highly recommended that their names are added to the waitlist well in advance of their need.

I would like to thank the Committee and all they contribute throughout the year, those members being Julie Mussared, Di Kelly, Ros Coleman, Marilyn Scarlett, Darren Jasper and Digby Wilmott. They are all fully engaged community people and on behalf of the Cunderdin and Meckering Communities, I thank them for their commitment to this position in addition to all the other things they do.

I would like to acknowledge the residents of the Cottage Homes. We appreciate the way they take pride in their homes; we welcome their input and advice when there are issues that arise and maintenance required, and I thank them for their patience in resolving the problems.

This will be my last report as Chairperson as it is time for me to move off the Committee and on with other pursuits. I have thoroughly enjoyed my time on the Cottage Homes Committee and believe we have a great team to continue to manage the Homes.

The world is governed by “those who turn up” and the onus will be on other members of the community to step up and take their turn in time, to continue to manage the great service we provide for our senior residents.

Shire President Message

The Back to Cunderdin weekend promises to re-unite old friends, renew acquaintances and celebrate the history and endeavours of our forefathers. Commencing with our “Sense of Place” photographic exhibition at the Museum on Friday evening, highlights of the weekend include the commemoration of the 50th anniversary of the Cunderdin Museum, 75th anniversary of the Cunderdin District High School and Town Hall exhibition. Catch up with family and friends on Saturday night at the Cunderdin Club featuring live entertainment, cocktails and grazing boxes or at the Cunderdin Pub. Wind up the weekends festivities with an early breakfast on Sunday morning at the Club.

We're all set for a memorable weekend - see you there!

Annual Electors Meeting Update

Council wishes to advise the community that we are currently waiting on the Office of the Auditor General to finalise our financial statements before we can set a date for our Annual Electors Meeting.

We (along with many other Councils) continue to put pressure on the Auditor General's Office to complete their processes which will allow us to move forward.

We will continue to keep you informed throughout this process.

Road Closure – Mt Anne Rd

**ROAD
CLOSED**

Please note that Mt Anne roadworks are scheduled between the 13th to 26th of March. Works include the replacement of 5 culverts which will result in road closures with soft detours.

The road closures will occur from 7 am to 6 pm with road signage and traffic control on site.

We apologise for the inconvenience this may cause - works crew are hoping to have works done as soon as possible.

O'Connor Park Update

Wow, the O'Connor Park Redevelopment is progressing really quickly. The skate park area is starting to look like a real skate park, it is such a big improvement on our old skate park. The delivery of more play equipment is expected soon and we can't wait to see the large rope climbing structure going up.

A big thank you to our Major Supporter Lotterywest who are contributing \$700, 000 to our park redevelopment.

Upcoming sewer relining work in Cunderdin

What is happening?

Our authorised contractor Allpipe, will soon commence work to refurbish ageing wastewater pipes in Cunderdin. Sewer relining uses trenchless technology to clean and refurbish existing wastewater pipes. It reduces the likelihood of blockages and extends the life of this important infrastructure by at least 30 years.

Where is this happening?

We will be working across the town of Cunderdin. Please reference the map on the following page for an overview of the work areas. For more information, including aerial maps with street names, visit watercorporation.com.au/sewerrelining

When is this happening?

Work is scheduled to commence in **mid April 2023** and completed by **late July 2023**. During this period, we will generally work from **Monday to Saturday between 7.00 am and 5.00 pm**. Night works may occasionally be required, and in this case we will notify impacted residents in advance.

How will this impact me?

Allpipe will be working in both verges and/or roads, and also in the boundary of private properties. If Allpipe requires access to your property, we will contact you directly to discuss the work and arrange entry.

Residents and businesses may notice more activity in the area, noise from generators and vehicles and temporary odour. Traffic management will be in place to direct vehicles, cyclists and pedestrians safely around the work area.

If you experience any odour in your bathroom during this work, flush your toilet and pour water down the floor drain.

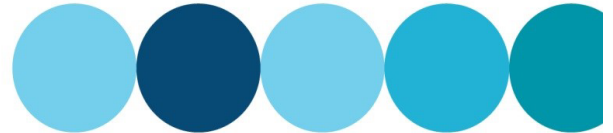

Where possible, please keep all toilet lids closed during this period. If water spurts from your toilet, please notify Courtney Hiller from Allpipe immediately. Allpipe will assess the issue, work with you to organise a cleanup and notify the Department of Health.

We thank you for your understanding and appreciate your cooperation while this important work takes place.

Who can I contact?

- An enquiry or issue requiring immediate actioning onsite, please contact **Allpipe Project Manager, Courtney Hiller on 0473 547 591**.
- For general enquiries, please contact Joshua Olsen, Water Corporation Community Engagement Advisor, via email Joshua.Olsen@watercorporation.com.au or call 0400 231 857
- For project information please contact Albert Duong, Water Corporation Project Manager, via email at Albert.Duong@watercorporation.com.au or call 0437 252 493
- Faults, emergencies and security issues please contact 13 13 75 (24 hours)

Upcoming sewer relining work near you

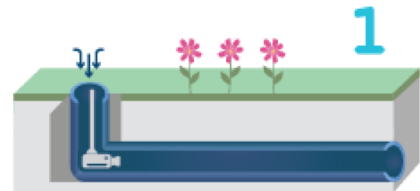

How does it work?

The nature of the sewer relining program means that the work is undertaken in stages, with a different Allpipe work crew for each stage. As such, you may notice that Allpipe will come for a few days at a time to complete the first stage, will be gone for a few weeks and then come back to complete subsequent stages.

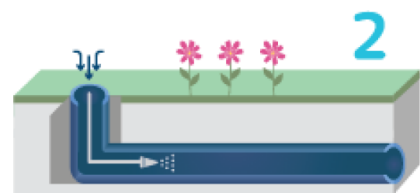

Step 1 - Pipes are checked via CCTV

To determine exactly what we need to do to fix them.

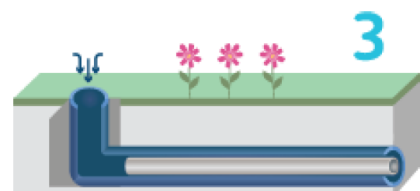

Step 2 - Pipes are cleaned

High pressure water is jetted through the pipes. It may cause some gurgling or splashing from your toilet. We therefore advise to keep the toilet lid down. If water does spurt out of the toilet, please contact Allpipe's Project Manager immediately.

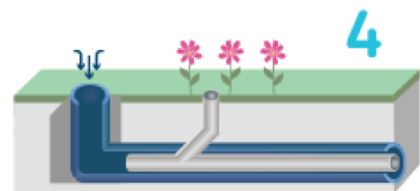

Step 3 - Pipes are relined

A liner will be installed into the old pipe by a machine to form a new pipe.

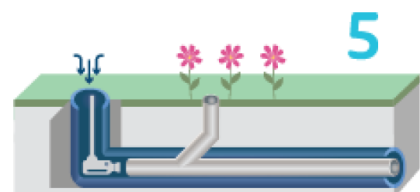

Step 4 - New pipe is connected

Lateral lines (property connections) are reconnected to the new pipe and junctions are sealed to protect the new pipe. This opens the connection to provide access to the system.

Step 5 - Pipes are checked

This ensures that the job has been done properly. If we find any issues we'll come back and fix it. We may need to return to the area to repeat the above steps.

Cunderdin's Cowboy

Years ago, Cunderdin had a cowboy. A real live one. No he did not ride a horse, swing a rope, crack a whip or carry a "big iron" on his hip. He looked after the town cows.

Prior to the days of Pura, Masters or Brownes packaged milk, even before the town had a dairy, most of the locals had their own cows and they paid a young fellow to collect the cows every morning and take them out to graze along the road verges. Traffic was very sparse in those days, although people owned cows, very few owned a car.

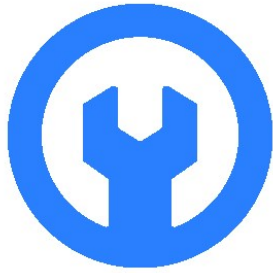

At about 4.30 - 5.00pm, the cowboy would drive his herd back into town in time for the evening milking. It was surprising how these cows had become creatures of habit. As they were driven down Main Street one would peel off into Whitmore's, two would wander down the hotel lane, (the Co-op office area) and one down the Post Office lane for the Flanagan family. Further up the street one would peel off at the hostel, then located next to the old CWA Restrooms and one at the convent house (where Jill & Joe Bonser now reside) then one at Jenzen's

and so on until all were safely home.

As I have grown older, I have realised why my mother could seldom buy a tender piece of beef. When a cow became too old it was sold to the local butcher, and then back across the counter.

Last-minute Fried Rice

05m prep | 10m cook | 2 servings

Ingredients:

- ◇ 2 tsp peanut oil
- ◇ 2 Eggs, lightly whisked
- ◇ 4 bacon rashers, chopped
- ◇ 1 1/2 cups (180g) Mixed Vegetables
- ◇ 2 tsp ginger paste
- ◇ 500g Rice
- ◇ 2 tbsp soy sauce
- ◇ 1 spring onion, thinly sliced

Method:

Heat a wok or large frying pan over high heat.

Add oil and swirl to coat the base of the wok or pan.

Add the egg and swirl to coat the base. Cook for 30 secs or until the egg is light golden underneath and just set.

Turn onto a clean work surface, roll egg into a log and thinly slice crossways. Transfer to a plate and cover to keep warm.

Add the bacon to the wok or pan. Cook, stirring for 3 mins or until browned.

Add the vegetable and ginger paste and cook, stirring for 3 mins.

Add the rice and cook, stirring for 3 mins or until heated through

Add the soy sauce to the rice mixture and toss to combine.

Top with the egg and sprinkle with the spring onion. Season to serve.

ATTENTION

PEOPLE WITH HEEL AND ARCH PAIN

Plantar Fasciitis (planar heel pain) is a common condition that causes pain under the heel of the foot, and may extend into the arch area.

WHAT ARE THE SYMPTOMS?

The pain under the heel is worse when the person first steps out of bed in the mornings, or after sitting for long periods of time. It is relieved after walking about for a few minutes, then returns towards the end of the day. Resting will ease the pain, until you get up again.

WHAT IS THE CAUSE?

The exact cause of plantar heel pain is unknown, but we do know this is a degenerative process in which micro tears occur within the plantar fascia. Several risk factors including over-pronation (rolling inwards of foot), tight calf muscles and long periods of standing/walking hard floors have been well established.

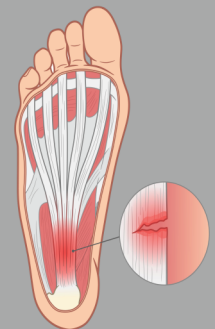

TREATMENT

Some of the more common treatments we offer are:

- Custom foot orthotics
- Corticosteroid injection
- Dry-needling
- Rehabilitation

WHY SEE WA FOOT CLINICS?

Plantar heel pain is a complex issue and treatment varies depending on the cause. At WA Foot Clinics we have Podiatrists that are highly trained foot professionals who see and treat heel pain on a daily basis.
